

Name: \_\_\_\_\_

2 13  
11

Mit 3 Zahlen  
kann ich 4  
Aufgaben

$$2 + \square = 13$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

4 13  
17

3 17  
20

15 5  
10

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$
